NEW ENGLAND HISTORIC GENEALOGICAL SOCIETY
www.GreatMigration.org
The Winthrop Fleet  Massachusetts Bay Company
Immigrants to New England, 1629–1630
6 x 9, hardcover, lxviii + 834 pp., 2012
reg.: $64.95 member price: $58.46
Special offer: $54.95 (when ordered before September 30, 2012)

In 1630 John Winthrop led hundreds of Puritans and a fleet of more than a dozen ships from England to the New World. This volume features more than 200 genealogical and biographical sketches of those immigrants — updated and expanded from The Great Migration Begins — and describes the migration to New England in 1629 and 1630, as organized and directed by the Massachusetts Bay Company. This volume also includes a fifty-page interpretive essay that discusses immigration during the Great Migration period, from 1620 to 1640.

“The breadth and depth of Bob Anderson’s scholarship is stunning. He gives a texture to the Great Migration’s two decades and refines the relative importance of its supposed leaders. I was surprised by both, but convinced by his erudition. In his capable hands facts become history.”

—Alvy Ray Smith, PhD, FASG, trustee emeritus of NEHGS, cofounder of Pixar

“. . . the work of a consummate master of historical and genealogical research.”

—Roger Thompson, author of Sex in Middlesex, Cambridge Cameos, and From Defiance to Defiance

NEW!
The Pilgrim Migration
Immigrants to Plymouth Colony, 1620–1633

6 x 9, paperback, lxviii + 639 pp., 2004; reg.: $29.95 member price: $26.96

The Pilgrim Migration collects the story of every family or individual known to have resided in Plymouth Colony from the arrival of the Mayflower in 1620 until 1633. More than two hundred sketches provide information on the early histories of these immigrants, their New World experiences, and complete genealogical accounts, including all marriages and children.

“For beginning researchers in early New England history, The Pilgrim Migration is a marvelous introductory text. More experienced researchers should view it as an important source of information on early Plymouth Colony families.”

—National Genealogical Society Quarterly

The Great Migration Begins
Immigrants to New England, 1620–1633, Volumes I–III

6 x 9, 2,386 pp. in 3 vols., 1996, 2012
Hdcvr reg.: $125 member price: $99 • Pbk reg.: $79.95 member price: $71.96

This three-volume set provides information on more than 900 early New England families.

“The outstanding contribution made by Anderson in The Great Migration Begins is the painstaking analysis of the evidence found for each individual. This extraordinary reference book will quickly become the first book examined in a scholarly study of the early colonial period.”

—Marsha Hoffman Rising, CG, CGL, FASG

Find an estimated 99% of all pre-1700 New England marriages. Includes Torrey’s complete text, a listing of all his sources, and a comprehensive every-name index.

New England Historic Genealogical Society
ABOUT THE GREAT MIGRATION STUDY PROJECT

Between 1620 and 1640 about 20,000 men, women, and children crossed the Atlantic to settle New England. The New England Historic Genealogical Society’s Great Migration Study Project, under the scholarly leadership of Robert Charles Anderson, FASG, aims to compile authoritative genealogical and biographical accounts for each of these early settlers. The project’s published works contain thousands of sketches and are integral resources for any genealogist, historian, or descendant with early New England interests and connections.

The Great Migration Study Project includes:

• Authoritative multi-volume works
• Comprehensive fleet- and colony-specific texts
• An in-depth quarterly newsletter
• Author-led heritage tours to England
• Searchable databases
• Online resources

“Intense genealogical investigation of seventeenth-century New England families has been underway for more than a century and a half. With thousands of genealogical books and articles on the shelves, one would think that all of these early colonists are already well known, and all that remains for twenty-first century researchers is making small discoveries that allow us to refine our knowledge of these families. That is not necessarily the case.”

—Robert Charles Anderson, FASG

* Please note, prices do not include shipping. To order: 1-888-296-3447 • www.GreatMigration.org
“Anderson’s landmark work is recognized as a core reference tool that updates and supersedes previous books on Colonial New England genealogy.”

—Library Journal
